THE QCBAC

The QCBAC was also formed to promote interest and usage of any, and all British cars. The QCBAC website is at: qcbac.com

FROM THE PRESIDENT

Hi QCBAC Members, (email: 5/15/16)

We had a great showing at Hollar's Bar and Grill. Food was great and so was the company.

It was nice to see Dianne Killam tonight from Cedar Rapids and her friend and now a new member, Pat Swenka, from Dundee Iowa. Welcome Pat.

Club member Nathaniel Hawker has a 1953 MG TD for sale that used to belong to his Sister. This car has been sitting in a garage and has not run since 1981. Needless to say it will need a total restoration. If interested, he can be contacted at 309-644-1863. Best time to call is in the afternoon or evening.

ANSWER

The BMC annotation of ADO stood for "Amalgamated Drawing Office." Now that's a catchy title.

Morris Mini Minor - 1959

NEXT QUESTION

The Aston Martin DB5 used in the James Bond movies had a number of special gadgets installed by Q (see the car of the month article). Which gadget was the only one that was written into the original movie script?
